PRAYERS TO BE USED AT ALL MEETINGS OF THE SOCIETY,
AND OF ITS SEVERAL ASSOCIATIONS.

Prevent us, O Lord, in all our doings with Thy most gracious favour, and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life ; through Jesus Christ our Lord. *Amen.*

O merciful God, who has made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live ; Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word ; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labours of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies : and bless in like manner with Thy Holy Spirit and Providential succour the Society in whose cause we are now met, and the undertakings which we have now in hand. " Prosper Thou the work of our hands upon us ; O prosper Thou our handy work," for the sake, and through the merits of the same Thy Son Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done in earth, As it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation : But deliver us from evil : For thine is the kingdom the power and the glory, For ever and ever. *Amen.*

The Vice-Presidents shall consist of such Chairmen of the different District Associations of the Society as are hereinafter provided for, and such others as shall be nominated at the General Annual Meeting of the Society, from among its members.

BY-LAWS.

I.

The Corporation shall be composed and consist of the Lord Bishop of the Diocese and other members appointed by the Charter, all Clergymen officiating in the Diocese, and of such other members of the Church of England as shall be elected into the Corporation at the General Meetings of the Society. The latter, however, shall not be eligible for election as members of the Corporation, unless they shall pay annually the sum of \$5 to the Treasurer of the Society, or of any District Association of which they shall be members, or shall pay once for all the sum of £12 10s. to the Treasurer; in the latter case they become members for life, and in the former so long as they shall continue to pay the sum of \$5 above specified. All such payments shall be made in advance for one year, from the 1st of January in each year.

II.

OFFICERS.

The Treasurer, the Secretary, the Auditors, and the necessary Officers of the Society shall be appointed by the Central Board.

The Secretary may be allowed a salary and travelling expenses under the direction of the Central Board. The Secretary may appoint an Assistant, subject to the approval of the Central Board, provided said appointment shall not entail any additional burden on the Society.

The appointment of the Treasurer and Secretary shall not be for any specified period, but they may be removed at the pleasure of the Central Board.

III.

TREASURER.

The Treasurer shall receive all subscriptions, donations, rents, issues and profits, payable to the Society, for which purpose a paid Collector or Collectors may be employed. Such monies shall be deposited in such Bank or Banks as shall from time to time be indicated or approved of by the Central Board.

No money shall be paid by the Treasurer without the authority of a resolution of the Central Board, certified by the Secretary, expressing the

name of the person to whom, and the purpose for which, the money is to be paid.

The Treasurer shall also have the custody of all deeds, bonds, securities and other documents relating to the property of the Society, (which, after registration, shall be deposited in one of the approved Banks, unless otherwise specially ordered by the Central Board,) and shall submit his accounts at the stated periodical Meetings of the Central Board.

IV.

SECRETARY.

Minutes of all Meetings of the Society shall be taken, and at each Meeting of the Society, the Minutes of the preceding Meeting shall be read by the Secretary, and signed by the Chairman.

The Secretary shall conduct the correspondence of the Society, take Minutes of the proceedings of the Meetings of the Central Board, and prepare the Annual Report of the Society, to be submitted to the Central Board.

V.

MEETINGS OF THE SOCIETY.

The Society shall meet annually at Montreal, on the third Tuesday in January, whereof not less than fifteen days' notice shall be given by the Secretary, in two of the leading City Newspapers, and elsewhere as may seem to him expedient. Special Meetings of the Society may be called at any time by the President, on his own authority, or in his absence from the Diocese, or in the event of a vacancy in the See, by any two of the Vice-Presidents and five other Members of the Society, by a written order to the Secretary, who shall notify the same in the manner hereinbefore provided in respect of the Annual Meetings.

VI.

THE CENTRAL BOARD.

There shall be a Central Board for the management of the general business of the Society, consisting of the President, the Vice-Presidents, and the other Officers of the Society, all officiating Clergymen of every Church, &c., or Chapel of the United Church of England and Ireland, and of such other persons, being Members of the Church of England, as shall be elected in the manner following:—

The subscribers of the Society in every Parish, Chapelry, or Mission shall send one Representative to the Central Board, and shall also send one additional Representative for every £20 in the City and £10 in the Country subscribed annually to the General Funds of the Society.

No Clergyman, or Representative shall be entitled to vote at the Central Board unless he shall have paid the annual subscription of \$5.

It shall be the duty of the Secretary to give notice on the 1st October in every year, to the different Parishes, &c., of the number of Representatives which they are entitled to elect for the ensuing year, and each Clergyman shall forward to the Society the names of the Representatives of his Parish, District, or Mission, some time before the 31st December.

The Board shall meet in the City of Montreal, on the 1st Wednesday of every month. Special Meetings may be called by the President, or in his absence from the Diocese, or in the event of a vacancy in the See, by two of the Vice-Presidents and four Members of the Board, by a written order to the Secretary. Not less than six members present shall form a quorum. When a sufficient number of Members to form a quorum shall not assemble at any meeting duly summoned, the members present may adjourn to another day, and so on *toties quoties* until a quorum shall be found, and business may then be proceeded with.

The Central Board shall have authority to make such *rules* as may be necessary for the government of its own affairs, provided that none of them be contrary to, or inconsistent with, the spirit of the Constitution or By-laws of the Society. The Central Board shall report to the Annual Meeting a statement of its proceedings, and a detailed account of all monies received and expended during the preceding year, and no grant shall be made to any country Church or Mission situated within the limits of any District Association, unless the application be forwarded through the District Association in which such Church or Mission may be situated, nor unless the annual subscriptions for the current year shall have been paid to the Treasurer of the Society or of the District Association.

VII.

PAROCHIAL AND DISTRICT ASSOCIATIONS.

In order more fully to carry out the objects of the Society, each rural Parish, Mission or Chapelry, in the person of its Clergyman, and all subscribers of 5s. per annum and upwards, shall be an Association, in correspondence through its Chairman, (the Clergyman,) with the Central Board, and may be denominated the Parochial Committee of the Church Society, of whom five shall be a quorum. The Committee shall meet at such periods as they shall themselves decide to be most convenient, inviting the co-operation of all the parishioners in their deliberations and designs. They shall collect subscriptions and donations in such manner as they shall deem most effective, and endeavor by every means in their power to augment the resources of the Society. One-half of all monies collected must be transmitted to the Treasurer of the Society, the other half may be expended within the Parish, Mission or Chapelry for such objects only as are specified in the Constitution of the Society, or forwarded to the Treasurer of the District Association where any such exists.

And where three or more Clergymen may desire it, a District Rural Association may be formed, with the approbation of the President of the Society, the same to be composed of the Clergy resident within the bounds of the

same, and all other members of the Church, who shall contribute 5s. per annum, in aid of the Society's funds.

Any officiating Clergyman resident within the bounds may be elected by such District Association as Chairman, with whom shall be associated as composing a Committee of Management, the Clergy of the several Parishes or Missions within the bounds of such District, one or two Laymen from each of the same, a Secretary and Treasurer. A General Meeting of each District Rural Association shall be held in each year, at such time and place as may be agreed upon at a previous Quarterly Meeting of the Committee of Management, and Quarterly Meetings of the Committee of Management, not less than five to form a quorum, shall be held for the transaction of the business of the Association.

The Rural Parochial Association shall communicate to the Secretary of the Parent Society, a minute statement of the receipts and expenditure within the sphere of their operations, embodied in the form of a Report, at least one month before the General Meeting of the Church Society.

VIII.

LAY COMMITTEE.

A Lay Committee, consisting of not less than thirteen members, of whom the Treasurer shall be one, shall be annually chosen at the first Meeting of the Central Board, from among the Members of the Society, of whom three shall be a quorum for the transaction of business.

The proceedings of the Lay Committee shall be reported monthly to the Central Board.

The clerical and other members of the Central Board may attend at any of the General Meetings of the Committee, and may propose and discuss matters therein, but have no vote.

It shall be the duty of this Committee to recommend to the Central Board the best means of carrying out the following objects:—

First,—The securing to the Clergymen now resident and doing duty in the Diocese, a sufficient and permanent income, and providing, with the least possible delay, for the increase of their number so as to meet the increasing exigency of the population.

Second,—The building, in every place where it may be required, a Church of brick or stone upon a well considered plan, as to dimensions, external form and internal arrangement, keeping in view the probability of its requiring enlargement.

Third,—The assisting of the different Parishes and Missions in the Diocese in the erection of a residence for the Clergyman, by loan, to be repaid by instalments.

Fourth,—The procuring an adequate and permanent support for all the Institutions, Authorities, and Functionaries, suitable and appertaining to the Establishment of the Church of England in this Diocese.

Fifth,—The encouraging the formation of a Local Endowment Fund, at every station or place having a Church or Clergyman.

Sixth,—The management and superintendence of all lands belonging to the Society.

Seventh,—It shall also be the duty of the Lay Committee to investigate all applications for grants of money, and to report thereon to the Central Board. Every application for aid in the erection of a Church must contain the following information:

1. The precise situation, especially with reference to the nearest Church, and the amount of population within five miles of the Church.

2. The title of the ground on which the building is to be erected,—copies to be produced.

3. The size of the building, the number it is intended to accommodate, and the probable number of the congregation that will be likely to attend it.

The supposed cost of the building, the progress it has made towards completion at the time of application, and the amount of contributions on the spot in money or labour.

IX.

BOOK AND TRACT COMMITTEE.

At the first Meeting of the Central Board, seven members of the Society shall be annually chosen, to form a general Book and Tract Committee for the ensuing year.

X.

SERMONS.

Such Sermons as the Lord Bishop of the Diocese shall direct, shall be preached in each year in each Parish, Chapelry, and Missionary Station, on such days as the Bishop shall appoint, in favour of some *one or more* of the objects of the Society, and a collection made in aid thereof, which shall forthwith be transmitted to the Treasurer of the Society, and no grant or benefit from the Society shall be obtained for any object within any Parish, Chapelry, or Missionary Station within which such Sermon or Sermons shall not have been so preached, and such collections shall not have been made.

XI.

BY-LAWS.

No alteration or amendment in the Constitution or By-laws of the Society shall be made, unless the general nature of such alteration or amendment shall have been proposed at the next previous General Meeting of the Society, provided that not less than one month intervene between the two Meetings, and that the object of the Meetings be stated in the advertisement by which they are called. At all meetings of the Society, of the Central Board, or of Committees, the Chairman, in case of an equality of votes, shall have a double or casting vote.

Whereas some members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious

gratitude for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the Glorious Gospel among the nations which still sit in darkness; the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for the Promoting Christianity among the Jews, whatever sums may be given for the conversion or instruction of the Heathen or the Jews.

# REPORT.

1854.

A Review of the operations of the Church Society during the past year affords very satisfactory evidence that the Society, under its present system of action, is calculated efficiently to carry out the objects contemplated in its Constitution.

The Central Board has consisted, during the past year, of Representatives elected by the different Parishes and Missions, in accordance with the By-law, No. 6. Forty-three Representatives were returned, and there has been an average attendance of sixteen members, (Clergy and Laity) at the meetings of the Central Board during the year, the greatest number present being twenty-one.

It is a subject of regret, however, that the means placed at the disposal of the Central Board, have not been proportionate to the demands made on the funds of the Society.

The following summary gives the total receipts of the Society for the year ending 6th January, 1854 :—

|                                                             |             |           |           |

By comparing the above statement with the Treasurer's Account for the year ending January 6th, 1853, it will appear that there is a falling off in the amount raised for the Society in the present year, viz., £48 9s. 9d. in the Annual Subscriptions from Montreal, and £26 9s. 4d. in the Remittances from the Parishes and Missions in the Country.

In the collections after Sermons for Missionary purposes there has been an increase of £5 9s. 10d.

The Total income of the Society is £89 19s. 2d. less than last year.

In the contributions, however, for local purposes, as distinct from the funds of the Society and expended for various purposes in the several parishes where they are raised, it is satisfactory to observe that there has been an increase of £1639 2s. 1d. The amount raised in 1852, being £6522 16s. 8d.; the amount raised in 1853, being £8161 18s. 9d.; which does not include the sum of £116 12s. 5d.; which, although subscribed to the Church Society, has not passed through the Treasurer's hands, having been expended in the different Missions as allowed by the By-laws. This will make the total amount raised for Church purposes, £8278 11s. 2d.\*

---

\* Since the above was written, returns have been received which will make the total amount, raised within the year, about £9000.

The following Grants have been voted by the Central Board during the past year:—

|                                                               |      |   |   |

| Total amount of grants,.....                                  | £508 | 0 | 0 |

Of this amount, £205 have been granted in consequence of the vote of the Central Board on 4th January, 1853, authorizing the sale of the funded capital of the Society for the purpose of granting aid for the building of Churches and Parsonage Houses and for the purchase of endowments. There now remains about £200 to be appropriated to the same objects; when this sum is expended, the Society will have to depend solely on the Annual contributions of its Friends, and the Central Board confidently appeals to the members of the Church for greater aid than has ever yet been given to the Society to enable it to meet those demands which will, under the arrangements hereafter mentioned be made on its funds.

The venerable Society for Promoting Christian Knowledge, has recently granted to the Lord Bishop the sum of £100 per annum, for three years, for the building of Churches in this Diocese.

For this liberal aid we owe to the Society a debt of gratitude, and we are bound to show, by our own exertions in promoting the erection of Temples dedicated to the worship of God in every corner of our land, that we do FULLY appreciate the kindness thus conferred on us.

Who can tell the numbers that may hereafter bless the liberality by which edifices have been erected, wherein they may meet together to join in prayer to God, partake of the Sacraments of the Church, and hear from the Ministers of Christ the message of mercy.

The following extracts are made from the reports received from the different Parishes and Missions :—

#### ABBOTSFORD AND ROUEMONT.

Rev. F. ROBINSON returns the following contributions from this Mission : Annual Subscriptions, £1 15s. ; collected at Abbotsford for Widows and Orphans, £1 2s. 8½d. ; and for Missionary purposes, £1 4s. 2d. ; collected at Rougemont for Widows and Orphans, 8s. 11d. ; and for Missionary purposes, 18s. 8½d.

The local contributions were : for support of Clergyman at Abbotsford, £16 18s. ; for support of Clergyman at Rougemont, £15.

Incidental expenses at Abbotsford, £5 ; Incidental expenses at Rougemont, £5. Total amount collected, £47 7s. 1d.

#### AYLMER AND HULL.

Our Report this year, says the Rev. J. JOHNSTON, might speak of great difficulties and trials with which the Church in this place has had to contend, yet there is great cause for thankfulness to the Great Head of the Church, for that support which He has given us in our time of need. With our comparatively little flock, great things could not be expected from us ; but enough has been done, I trust, to shew that we have some life left, and with God's blessing we hope soon to see better days.

The most of our male congregation at Aylmer, are engaged in the lumber trade, and are consequently away from their homes during a great part of the year, which interferes much with the success of any organized plan of improvement, material or spiritual.

We have had to contend with bitter and persevering opposition from those who love not our Zion, but she is in the hands of Him who can make the wrath of man praise Him, and the remainder of the wrath restrain. During the year we have raised for local purposes ; towards Clergyman's salary, £20 ; for Fencing Church Lot at Aylmer, £15 ; Insurance on Church, £5 ; for placing Bell in tower of Church at Aylmer, £7 10s. ; a Church Bell, the gift of John Egan, Esq., M. P. P., £70 ; and we may safely allow £10 more on the Clergyman's salary, in anticipation of what he is pretty sure of receiving on last year's account. Total for local purposes, £127 10s. There were collected for the Widows' and Orphans' Fund, £8.

The Bell which Mr. Egan has presented to the Church at Aylmer is a very fine one, and that congregation owes him a debt of gratitude, for it was much wanted.

Mr. Johnston also states, that the want of a Parsonage House is a great drawback, as he is obliged to live at a distance from both villages, which interferes much with parochial arrangements.

#### BEDFORD.

Rev. JAMES JONES reports the following contributions to the Church Society : Annual Subscriptions, £2 11s. 3d. ; collections at Sermons for Widows and Orphans, £1 5s. ; for Missionary purposes, £1 5s. Total amount, £5 1s. 3d.

## BROME AND SUTTON.

Rev. R. LINDSAY, in his Report, states: "In conjunction with the Mission of Frost Village, we have employed a Colporteur for the purpose of disseminating through our Missions religious publications. He has travelled over more than 200 miles, visited between 400 and 500 families, has sold \$120 worth of books. By this agency, portions of these extensive Missions have been visited, and we trust instruction imparted, which in the ordinary course of our ministry we cannot reach. From the experience that we have thus obtained, we feel that there is a want of some such agency, and that carefully managed it is calculated to meet several important purposes."

The Annual Subscriptions to the Church Society amounted to £3 17s. 6d.; collected at the Sermon for Widows and Orphans, £1 10s.; for Missionary purposes, £1 11s. 1d. There was also contributed £45 for the enlargement of Brome Parsonage; £18 15s. for Harmonium for Brome Church; £7 10s. for interior of Sutton Church; £12 10s. for the Missionary at Brome; and at Sutton, £15; and £3 1s. 8d. for Colporteur. Total, £103 15s. 3d.

## BUCKINGHAM.

Rev. R. STEVENSON writes as follows: "As the people of this Mission had to use every exertion during the past year, to liquidate the debt on St. Stephen's Church, Buckingham Village, as also to provide suitable places of worship at two of the out Stations, they were unable to contribute any thing to the funds of the Church Society. The proceeds of the Sermon for the General Purposes of the Society, (£3,) had to be applied towards payment of debt on the Church. In Buckingham Village, £18 1s. 6d. were subscribed to Missionary, on account of £30 required by the Lord Bishop towards his maintenance; at the McGillivray Settlement, 10s.; at La Petite Nation, £1 12s. 8d.; and at the augmentation of Grenville, £2 4s. 9d.; at La Petite Nation, a site for a Church has been secured, and on it a building, forty feet in length, has been erected and covered in, the people supplying the materials. This they have been enabled to do by the aid of £15 currency, received from the Rev. W. J. Waddington, Henham, England, who has also remitted to me a similar sum to aid in the completion of a Church, erected by the settlers, in the augmentation of Grenville at their own expense. Although little has been done in the way of assisting the funds of the Church Society, yet much has been contributed for Church purposes within the Mission during the past year. Amongst the donation, for Church purposes, we find the following from Mr. Orris Cole, towards liquidation of debt on the Church at Buckingham, £1 5s. Two acres of land, value £8, were given by Mr. John Crawford, in the augmentation of Grenville, as a site for a Church, and for the purposes of a Burial Ground."

## CHAMBLY.

Annual Subscriptions to the Church Society amount to £32 6s. 4½d.; collection at the Sermon for Widows and Orphans, £2 14s. 4½d. There was

no sermon preached for Missionary purposes in consequence of the Clergyman being ill at the period and for some time after. There were contributed towards Clergyman's stipend, £60, towards incidental expenses of the Church, £21; for Insurance on Church property, £7 10s.; Sacramental collections, £7 10s. 2d.; collected for Parochial Lending Library, £4 6s. 2d.; collected for the purchase of Books for Sunday School, £2 4s. 2d.; improvements and alterations in interior of Church, £38 15s. 9d. Total amount, £178 7s.

Rev. J. P. WARR states: "Although since the last Report was forwarded there has been a decrease in the numerical strength of the Church, still it is pleasing to state a small increase in the amount of contributions, which I sincerely trust will be continued every year. During the summer some much needed improvements have been made in the interior of the Church for which the sum of £38 15s. 9d. has been expended. For this I would desire to express much thankfulness to Almighty God, as an indication of interest felt by the people, that His House may not only be creditable to themselves, but suited to the solemn worship of His Holy Name.—And may God, I pray, be pleased so to incline the hearts of all the members of the Church in this parish as that each shall every year give, (and deem it a privilege so to give,) as He hath prospered them, towards promoting the objects of the Society, His Glory, and the prosperity of His Church in this land. May the Spirit from on high be poured out upon all the members of our beloved Church, in this Diocese; then shall we not be barren or unfruitful in the work of the Lord."

## FARNHAM AND ST. BRIGIDE.

Rev. W. JONES reports, that the amount raised within this Mission during the past year, for the support of the Church, falls somewhat short of the two years last preceding; various local objects and improvements having been effected. We are at present engaged in some further improvements which, D. V., will appear in our next annual report. During the past year, the Missionary has been under the painful necessity of abridging in some measure his labors, owing to a severe attack of throat disease in the summer of 1852, the effects of which still remain, and without care will assume a chronic form. A Parochial Association has been formed in this poor Mission, but its means as yet are very limited; we trust, however, that God will prosper us from year to year, and that His Church will receive our small contribution as an evidence of our good will, and of the interest we take in the welfare of the Church Society.

Annual Subscriptions, £7 11s. 1½d.; collected at Sermons for Widows and Orphans, £1 5s.; and for Missionary purposes, £1 7s. 10d.; contributed towards Missionary's support, £6 10s. Total, £16 13s. 11½d.

There has been subscribed towards a Parochial Lending Library, £7 18s. 3d., which is found to be extremely beneficial; £3 0s. 10d. has been subscribed towards the support of a Colporteur in connexion with the Missions of Brome and Sutton. He has done a great amount of good, in localities where religious services are as yet necessarily scarce and deficient. We received an Harmonium for Christ Church, F. V., from D. R. Wood, Esq., Montreal, of the value of £80, which has added much to the services

of the Church. In Stukely we have commenced building a Church, towards which £200 has been subscribed; we hope to finish it next year. The offertory collections, pew rents, and contributions towards support of Missionary, amount to £64 7s. 4d., making a total of £305 6s. 5d. for local objects, in addition to the £13 2s. 6d. for the Church Society.

The Annual Subscriptions amounted to £6; collection for Widows and Orphans, £1 5s. There were contributed for local purposes, £15 6s. 6d., viz:—£10 for fencing Burial Ground, and £5 6s. 6d. towards Parsonage House. Total, £22 11s. 6d.

#### HEMMINGFORD AND ROXHAM.

The Rev. GERALD DE COURCY O'GRADY reports, that £12 19s. 9d. had been subscribed to the Church Society: collections after Sermons for Widows and Orphans, £1, and for Missionary purposes, £1 10s. 3d. I am happy to be able to report that affairs in this Mission are going on well. There seems to be an increased desire to work for the Church. Besides what I have mentioned, there has been work done upon the Church at different times, that we have not kept an exact account of. We have received offers of assistance in money and materials, towards the erection of a Parsonage, but have not as yet been able to avail ourselves of them. The

people intend this winter (D. V.) to get out of the bush timber for it. We have received from a gentleman in New York, a former resident of this Mission, as appears by subscription list, fifteen shillings for Church Society and five shillings towards parsonage, and the people are now getting up a subscription to obtain a musical instrument for the Church and to complete its furniture.

#### HUNTINGDON.

### EDUCATION.

In the Branch of Education and establishment of Schools, the Society (from the inadequacy of its funds to meet the urgent necessities of the case) has been unable to enter upon any General Plan, though considering it one of the most important objects contemplated in its constitution.

It is, however, in some degree relieved from the pressure too often made upon it, by the unsuccessful application of the Clergy for help, by the operations of another Society in this Diocese, viz., the Colonial Church and School Society.

In consequence of arrangements made between the Bishop of this Diocese and the General Committee of the Colonial Church and School Society, His Lordship has been enabled to accept the office of President of their Corresponding Committee, and give his sanction to their operations.

It was His Lordship's anxious wish, in all endeavours made by any Societies for the assistance of the Church in any of its labours, that there should be some General Plan carried on, by which any interference of one Society with another, or any separation or apparent opposition of interest might be prevented; with this view it has been made an article of the above arrangement that "Statements of the proceedings of the Corresponding Committee with the signature of the President or Chairman attached thereto, shall be furnished to the Central Board of the Church Society for its information and use," and also "that no Catechist or Schoolmaster shall be employed within the local limits of any Clergyman's charge without his consent."

In accordance with this understanding, the following notice of the operations of the C. C. and S. Society in this Diocese is now inserted in the Annual Report of the Diocesan Church Society, and, as by the above rule the C. C. and S. Society can only act in connection with the different Clergymen throughout the Diocese, it is hoped that they will be able to avail themselves of its assistance, since so much requires to be accomplished and funds are so deficient,

The Committee report: "The opening of the Model and Training School. The sending forth of a Lay Missionary within the City of Montreal. The support of a Clergyman in the Mission of Sabrovois, and the appointment of a Missionary Schoolmaster at Saroba, with other Schoolmasters throughout the Diocese, involving an expenditure on the part of the Parent Committee of £600 sterling, and on the part of Montreal Committee, received from friends in this country of £650, making together about £1370 currency."

### LAY COMMITTEE.

In the report of this Committee presented to the Central Board on 7th December, we find the following important document which was laid before the Committee by the Lord Bishop of the Diocese.

" At a General Meeting of the Society for the Propagation of the Gospel,  
" held Friday, June 17th, 1853,

" His Grace the Archbishop of Canterbury in the Chair.

" It was resolved, That in accordance with the principles laid down by  
" the Finance Committee, June 19th, 1852, and with the full consent and  
" approval of the Bishop of Montreal, the following resolutions be adopted;

1st. That in order to place the expenditure of the Society, in the Diocese  
of Montreal, upon a more definite footing, from and after the 1st July next  
ensuing, the sum of £3,600, be granted annually for the payment of Mis-  
sionaries in that Diocese until the 1st July, 1858.

2d. That from and after the 1st July, 1858, the said grant shall be reduced  
by not less than 10 per cent.

3rd. That the local Treasurer of the S. P. G. in Montreal, be authorized  
to draw on the Treasurer of the Parent Society for the above sum, by equal  
quarterly bills, on the 1st of October, January, April and July, such bills  
having previously received the signature of the Bishop.

4th. That the Bishop, with the advice of the Lay Committee of the Incor-  
porated Church Society of the Diocese, shall apportion the above Grant for  
the payment of present and new Missionaries; strict regard being had to  
the observance of good faith with all those to whom the Society is already  
pledged.

5th. " That in the month of January in each year, the local Treasurer of the  
" S. P. G., shall return to the Secretary for the information of the Parent  
" Society, the names of all Missionaries who shall have received any por-  
" tion of such grant during the previous year, with the account of their  
" respective allowances, and shall also furnish an abstract of all monies  
" received and paid by him, with the amount, if any, of the balance remain-  
" ing in his hands, over and above the expenditure."

On which the Lay Committee made the following remarks, to  
which we beg to call the attention of Churchmen:

" From these resolutions it will be seen that the period at which  
we shall be called on to provide for the maintenance of our own  
Clergy is at hand; nor can we complain, we have long enjoyed  
the fostering care of that venerable Society, and have been from  
time to time warned, that newer and more helpless portions of the  
Christian world must participate in that benevolence which has  
for so many years been liberally lavished upon us.

Although the Society has given us five years to make provision  
to meet the reduction then certain, it would be well and prudent,  
not only to make provision for that reduction, but also for *that*  
which will certainly follow, until we shall attain the more healthy  
state of existence, a dependance on ourselves.

It is a well known fact and by no means to the credit of the Laity, (continues the Lay Committee,) that of all denominations of Protestant Christians, there is none that contribute so little towards the support of their Clergy as the members of our Church within this Diocese; such things ought not to be, and the sooner this error is acknowledged and repaired, the sooner shall we discharge an imperative duty incumbent upon us as members of the Church of Christ."

---

Deeply are we indebted to the venerable Society for the liberality with which the Church has hitherto been fostered in this Diocese, and when we consider the many new fields of labour which are now being opened for its operations, not only in the Colonies of the British Empire, but also in Heathen Lands, we cannot be too thankful for the consideration shown to us in the GRADUAL withdrawal of that assistance which has hitherto been the means of securing to many of our brethren, located in the more retired settlements, the comfort and consolation of being enabled to participate in the ordinances of the Church.

We are thus *again* warned that the extraneous aid, on which we have so long depended, will (at a *fixed* time and on a plan *already decided*) gradually be withdrawn, and that the time is come for the members of the Church in this land, to contribute liberally of their abundance for the furtherance of the Gospel of Christ.

And may the Spirit of God put it into their hearts so far to imitate their Brethren in the Church of Macedonia, as to be *willing* according to their *power*.

Then will the Messengers of the Church be seen, proclaiming in every corner of our land, the glad tidings of the Gospel and promoting the Glory of Christ in the Salvation of Men.
